SUNIL KHAN

Will the Minister of NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

(a) whether the Government are propose to give funds to the NGOs to set up Non-Conventional Energy Projects in the country; and

(b) if so, the norms for providing funds to the N.G.Os?

Answer

MINISTER OF STATE FOR NON-CONVENTIONAL ENERGY SOURCES (SHRI M. KANNAPPAN)

(a)&(b): Non-Governmental Organizations (NGOs) are associated in the implementation of several National Programmes for non-conventional energy projects such as improved chulhas, biogas plants, solar energy and information and public awareness. Funds are provided for various projects either directly to the NGOs or through the concerned State Government Agencies, depending upon the type of projects, terms and conditions for release of funds, and other provisions of different Schemes.
